

# Tips and Tricks to Ace the Test

Use this checklist to help you prepare for your upcoming assessment. Mark each box as you complete each task.

## Get Ready for the Test:

- Pack your bag in advance so it's ready for the morning
- Get lots of sleep all week – not just the night before
- Wake up early so your brain has time to warm up
- Do some light stretching to help relax your body
- Eat a good breakfast and drink water

Remember to stay positive and try your best when taking a test! And don't forget about these helpful question strategies.

## Test-Taking Strategies:

- Read all directions and titles
- Read the entire question, then reread it
- Determine what is being asked
- Identify key clue words such as: *like, not, except*
- Eliminate choices you know are incorrect
- Select the best answer
- Work through the questions you know first
- Pace yourself, but don't rush
- Go back and check your work when you are done
- Only change answers if you know they are wrong

“ Success is the sum of small efforts, repeated day in and day out. ”
